4 Part-1) .Jada R. Stringer Disable from Birth.

5 Part-2) .Jauna R. Stringer

6 Plaintiff drove 3000miles to regain custody of his daughters, which the Court  
7 of Atlanta & Columbus, Georgia and Oakland, Ca. Have purposely abuse the  
8 right of the disable Plaintiff's life to show him that he has no rights under  
9 the law. Stating to Plaintiff that he has not the fatherly rights to his  
10 children and that Grandmother be giving 18yrs custody since the Mediation and  
11 Family Social Service have also made it clear to that I have no rights. This  
12 why Plaintiff intend to continue study of Paralegal since Plaintiff can't see  
13 his daughters due to the HATE from the Grandmother and the Courts. Just as  
14 one White Masonic Brother put it, 'Jimmy you Know the Courts don't want to  
15 see a Blackman with his kids. Plaintiff's baby daughter Jauna ask, 'Daddy why  
16 you don't come and see us.' 'Plaintiff could only say that things will be  
17 better baby don't worry Daddy LOVE YOU' this occurred at her school. The fact  
18 the Grandmother doesn't want to allow the Plaintiff association with his  
19 daughters demonstrate abusive behavior to cause the Plaintiff and his  
20 daughters unwanted suffering mentally show a pattern of what the Grandmother  
21 has done to her daughter April by displacing the same behavior in the attempt  
22 to out the father by lies and hate. As Plaintiff will the determination to  
23 regain what's at stake. Plaintiff can only assert that these issues could  
24 have been avoided, but no one seem to care what happen to rights of Plaintiff.
